January 30 – February 1 Kissimmee, FL

It may be warm today, but next January, would you rather be looking at this?

Or... this?

Don't be left out in the cold! This January 30 – February 1, join in on the fun in the sun at SACC's 2011 National Convention in Kissimmee, Florida, just outside Orlando.

In addition to enjoying the greatest Corvettes ever made and good friends, this will be SACC's first winter convention at a warm weather location. Kissimmee is only minutes from central Florida's world famous attractions: Disney World, Universal Studios and Sea World. Plan your winter vacation and bring the family. Enjoy the events and friends at the SACC convention, then visit the area's world class amusement parks & attractions, play a round of golf, visit the coast, enjoy outlet shopping, or just relax by the pool in the warm Florida sun.

The opening reception will be held Sunday evening, January 30, following the NCRS three day winter regional meet and a Sunday Corvette display at Old Town. Monday will find attendees on a solid axle road trip through the rolling hills, horse farms and orange groves to Ocala, to visit the Don Garlis racing museum, followed by a short trip and luncheon with a special guest. On Tuesday we will enjoy several technical sessions, a hosted lunch, the annual business meeting and the annual SACC reception & banquet.
